AIR CONDITIONING / REFRIGERATION CONTRACTOR LICENSE APPLICATION INSTRUCTIONS

This application must be completed to become an Air Conditioning and Refrigeration Contractor to perform air conditioning and/or refrigeration contracting pursuant to Occupations Code, Chapter 1302, Title 8.

1. Provide your full name and any other names you may have used.
2. Date of Birth (MM/DD/YYYY).
3. Indicate your Gender.
4. Provide your social security number.
Section 231.302 of the Texas Family Code REQUIRES all applicants to disclose their Social Security Number (SSN) when filing an application. The SSN that is provided is confidential and is required to enforce Child Support orders. Failure to provide the SSN will prevent a license from being issued and could ultimately lead to termination of the application.
5. Business Information
List the Federal ID Number for the business.
(Information regarding the Federal/Employer ID # may be obtained through the following website at:
<http://www.irs.gov/businesses>)

List all business names.
The first address must be the physical address of the location in which you work or where you will be working.
The second address can be a mailing address and a Post Office Box may be used.
6. Applicant's Mailing Address
This is your mailing address to which the Department will send all correspondence and a Post Office Box may be used.
7. If you have ever been convicted of a misdemeanor or felony, answer this question YES and attach a completed Criminal History questionnaire. You may obtain this form on the TDLR website shown above. It is advisable to disclose all convictions other than minor traffic violations (for example: speeding, running a stop sign, or driving without a current inspection).
8. If you have ever had a business license revoked, suspended, probated or denied in any state, you must answer this question YES and attach a completed Disciplinary Action Questionnaire. You may obtain this form at the TDLR website shown above.
9. Check the class and endorsement in which you seek licensure.
 - An environmental air conditioning endorsement entitles the license holder to engage in air conditioning and refrigeration contracting for environmental air conditioning within the class of license held.
 - A commercial refrigeration and process cooling or heating endorsement entitles the license holder to engage in air conditioning and refrigeration contracting for commercial refrigeration and process cooling or heating within the class of license held.
 - A Class A license entitles the license holder to engage in each type of air conditioning and refrigeration contracting that is endorsed on the license in relation to a system, a product, or equipment of any size or capacity.
 - A Class B license entitles the license holder to engage in each type of air conditioning and refrigeration contracting that is endorsed on the license in relation to a system, a product, or equipment of not more than: (1) 25 tons cooling capacity; or (2) 1.5 million British thermal units per hour output heating capacity.
10. The Employment History of the application should be thoroughly completed. This should indicate at least 36 months of practical experience with the tools of the trade in the preceding 5 years.

(This form consists of two pages.)
